***Report for item 12/12. Chairman's Community Awards***

When we discussed the possibility of making some awards as part of the Jubilee celebrations, it was suggested that it might be better to have a Chairman's award that was presented annually at the Village Meeting. I would like to go ahead with this as part of our community engagement, along with the school awards.

I propose an award for one resident, selected by the Chairman, acknowledging their contribution to the village.
