

## **Great Chesterford PC – Proposed Roles & Responsibilities from 9<sup>th</sup> May 2012**

Please find below my proposal for Roles & Responsibilities; these aren't cast in stone and can be changed if anyone is unhappy.

I have removed Allotments as a role as we don't have any land but this can be brought back at a future point if things change.

Neil has kindly offered to help with grant applications so I have put it down as a role rather than leave him as the only one not assigned. We will be looking to get as many grants as possible e.g. multi-sports surface replacement, surfacing under the youth shelter, play area fencing etc so he will be busy!

Sorrel has agreed to continue as the Community Centre Liaison if the PC is happy to 'appoint' her; the trust deed only states that the person has to be appointed by the PC not a member of it.

### **Proposed Roles & Responsibilities**

Joanna Francis Chairman (tbc), Finance
