Dear Elaine,

I write to you on behalf of Salvation Army Trading Company Limited to ask if you would allow us to place one (1) Charity Clothing Bank on your site. Our Representative, Tony Smith has recently visited the Great Chesterford Recreation Ground and feels the site would be a suitable place for a clothing bank and I understand that such a decision to place a clothing bank would need to be made by your Parish Committee.

We have been contacted on a number of occasions by members of the public asking if we collect in the area or if we have a local clothing recycling bank. We would ask if you would allow us to trial a bank on your site for six months to see if the public will participate in the recycling of clothing. The clothing collected helps people in need and the funds raised from the clothing collected contributes to the Social Welfare Services provided by The Salvation Army across the UK and Ireland.

We would collect clothing from the bank once per week or as required.

We are able to supply you with all H & S, Collection Procedures, Insurance Liability, Environmental, Quality Management and H & S policies.

For your information, The Salvation Army has operated a Clothing Bank Scheme nationwide for over 20 years and over the last three years our Clothing Collection Scheme has gift-aided over £19 million to the Social Welfare Work of The Salvation Army throughout the UK and Ireland. We have the reputation for professionalism and consistency of service.

Your support would be greatly appreciated and I look forward to hearing from you.

Yours faithfully,

Trevor J Shaw,
Operations Manager – Recycling UK
