13/142. Finance

The report of receipts and payments made was noted without comment..

13/143. South Cambridgeshire Local Plan Consultation Document

It was noted that South Cambs were planning to build 900 houses per year compared with Uttlesford's figure of 450.

Concern was expressed about the implications for extra traffic flow, particularly with regard to the existing "choke points" at roundabouts and the capacity of the Park & Ride facilities. It was seen as further justification for the case to expand cycle path provision.

Cllr. Bevens will edit and re-submit the Parish Council's original response.
