*Following the decision, taken at the June meeting, to invite the police to attend the Annual Village Meeting and 2 further Parish Council meetings, rather than to hold the proposed Neighbourhood Meetings, to further consider how to proceed in light of the news that Essex Police do not think this is suitable.*

The police were unable to attend the meeting in order to discuss and have suggested attending the December meeting instead.

**SGF/Clerk**

**11/106.Planning**

*To consider any comments to be returned to Uttlesford District Council (UDC) on the following applications:*

**UTT/1520/11/FUL & UTT/1521/11/LB**

Proposed demolition of existing single storey rear extension, erection of two storey rear extension. Internal and external alterations

**UTT/1527/11/FUL**

Erection of dwelling and garage

Land adjacent The Delles, Carmen Street, Great Chesterford

**Cllr Hall** and **Cllr Gordon-Foxwell** left the meeting whilst this item was discussed.

**Object** – This is outside the development limit and would result in the loss of an important space and set a precedent for similar developments elsewhere in the village. The design of the proposed property is poor appearing to be a pastiche of various existing village buildings, it is also too tall.

**TF**

**Results**

**UTT/1308/11/LB.** Proposed replacement of 3 no. windows.

**Location.** The Gables, Carmel Street, Great Chesterford.

**UTT/2354/10/FUL**

Retrospective application for temporary permission for two years for use of land for stationing of two mobile homes.

**Location.** Field Hall Farm, Great Chesterford.

*To consider whether to withdraw or modify our earlier comments in any way or submit any further comments.*

**Comments originally submitted were as follows:**

**Object** – As this application is outside the development limit any change of use would set precedence contrary to the Local Development Plan. In addition it appears that the need for these mobile homes has been brought about by the neglect of the main building and that this should be made habitable rather than allowing the mobile homes. It should also be considered whether these mobile homes are indeed mobile.

It was agreed to submit the following additional comments:

The Parish Council considers this appeal a method of prolonging the caravans on site and as such represents a gross misuse of the planning system. Economic reasons are not planning considerations, in addition we would question whether, as a householder, this appeal was submitted within the permitted timeframe.

TF

*To consider who might be able to attend this meeting on behalf of the Parish Council.*

*It is understood that the meeting will focus on two main topics:*

JF

Noted

**11/109. Uttlesford District Council – Proposed Waste Changes**

*To consider whether the Parish Council would wish to finance the continuation of a Green Waste skip in the village, if it is withdrawn as is being proposed by UDC, at a cost of £50.52 per hour.*
