The Parish Council has continued to follow planning applications and give comments to Uttlesford District Council as necessary. We will be speaking at the Planning Committee's September meeting on the proposed 14 homes in Bartholomew Close.

We have also had confirmation from UDC that the fencing for the allotments will be done before the land is handed over to the Parish Council. If you are interested in an allotment please make sure you give your details to us.

We are also delighted that the work has commenced on the long awaited re-opening of the Village Shop. At the time of going to press we are still unclear on what sort of post office services we will have, if any.

Cllr Redfern has enlisted the help of our MP and is attending a meeting with the new owner and Gary Herbert who is Senior External Stakeholder Manager East of England for the Post Office. We will inform you once the meeting has taken place.
